# YES I AM!

31 X 24" | OIL ON CANVAS

# HEINERMAYER

Drawing from iconic and flashy images in popular media and commercial culture, Heiner Meyer re-appropriates designs and similarly seduces viewers. Images of dice, candy, designer shoes, and luxury cars, float along side popular icons such as Marilyn Monroe and Audrey Hepburn. Combining oil paint, and in some cases photo collage, Meyer treats portions of the paint with shellac, giving it a sepia-brown aura of a vintage photograph.
